With **FREE** Ethernet
from TallyGenicom

Save up to \$182 on select serial matrix printers with TallyGenicom's FREE Ethernet offer!

With Ethernet being the connectivity option of choice for serial dot matrix printer users, TallyGenicom is now offering users the opportunity to purchase an Ethernet printer at a non-Ethernet price.

At top speeds of 1,100 and 900 characters per second, TallyGenicom's family of serial matrix printers keep pace with the bustling, no-nonsense world where printing is time sensitive and critical. These devices produce multi-part invoices, shipping documents or bar code labels at a rate of 40,000 and 50,000 pages per month.

Ideal for many markets and applications, our serial printers get your job done on time and with exceptional quality - whether you are printing tractor fed multi-part forms or single sheets.
